'For the Fun of Flying'

6 x Brand New Sky Arrow LSAs

6 brand new Sky Arrows have been offered to the Australian market ready for delivery. This is a great opportunity for a school or club to introduce/update the fleet with brand new aircraft at a drastically reduced price or maybe you are a discerning private buyer looking to join a bulk buy and enjoy the savings

The Sky Arrow is currently in use by a number of flying schools and clubs as an excellent ab-initio trainer and private hire aircraft
